DEFENDANTS' RESPONSE TO PLAINTIFF'S MOTION FOR WITHDRAWAL

COME NOW the Defendants and in response to Plaintiff's motion for voluntary dismissal request the dismissal of this suit with prejudice. In support, Defendants show unto the Court Plaintiff's Motion was filed after Defendants submitted a motion for summary judgment and Plaintiff, in his motion, admits he cannot "in good faith sustain a credible case" due to deficiencies in several enumerated items which include evidence, fact and law.

Alternatively, in the event the Court grants the motion without prejudice, Defendants request that it be specifically stated that Plaintiff's Motion for Withdrawal does not in any way toll nor extend the limitation period during which suit could be filed.
